**DISCUSSION:** City Manager McClintock explained the tentative agreement with the Fire Department. In order to meet the objectives and deadlines, the City is working with Cal Pers. The Fire Department and the Police Department found money to fund their own pension enhancements.

City Manager McClintock introduced Senior Pension Actuary, Bill Karch. He explained the rate impacts for 2% at 50 for Fire and Police. City Manager McClintock explained by adopting Resolution 10-26 should help with retention and decrease recruitment problems. The proposed change (from Level 1 to Level 2) is the lowest pension for Public Safety. Mr. Karch confirmed that all the other cities are at least at 2% at 50 so this would be a step in the right direction for the City of Colusa.
